

ANTIQUA TRACTOR PULLING

Kevin Berger, Superintendent, 739-4263 Email kvnber4@msn.com
Competition Date and Time - Saturday at 10:00 AM

Registration starts 8:00 AM

Tractors – Tractors must be model year 1959 or earlier and be wheel driven by the rear wheels only to participate in the antique tractor pull.

Inspection – Tractors will be subject to inspection at check-in and registration by the PULL COMMITTEE.

Any tractors judged to be unsafe or in violation of the rules will not be allowed to participate in the pull.

Drawbar – The drawbar must be original or match factory specs with a maximum height of 18" The length of the drawbar must be a minimum of 24" from the center of the rear axle to the hook point. Drawbar must remain stationary in all directions during pull. Must use flat plate with 3" hole or twisted clevis only.

Weights - Weights may be added to make weight classes.

Tires and Rims – Rim diameters may not be larger than factory specs. Pressed steel (tin) wheels allowed on all tractors. Maximum tire size for any class is: 20.8x38. Tires cannot measure more than more than 21 inches across tread. No duals are allowed. CUT TIRES ALLOWED IN OPEN CLASS ONLY!

R.P.M. – A maximum of 10% over factory specs only – subject to check at any time.

Classes – A tractor may pull in two classes, BUT ONLY ONCE IN EACH CLASS. This may be changed at drivers meeting depending on tractor count/weather. Anyone may pull in the 10,500 open class in addition to the two regular classes.

Antique Open –The maximum drawbar height will be 20" with a minimum drawbar length of 18" from the center of the axle to hook point. Above tire rules apply.

Classic-1960 to 1972 Factory turbos allowed. All antique rules apply. 20" drawbar height.

Entry Fee – An entry fee of \$7.00 per class will be charged.

Information – For questions or information concerning the competition contact Kevin Berger 570-739-4263. Email kvnber4@msn.com

PULLING COMPETITION RULES

1. All drivers must be 16 years of age or older verified by drivers license. .
2. Only driver allowed on tractor. No riders!
3. Tractors must be registered at least one hour prior to the pull.
4. The PULL COMMITTEE will hold a safety and procedures meeting prior to the start of the pull. ALL drivers must attend.
5. Tractors must be operated in a safe manner AT ALL TIMES. Speed must not exceed 3 mph on or off the track.
6. The order of pull will be determined by drawing.
7. The first pull in a class may require sled or weight adjustments. The first puller in each class has the option to take the pull or to remake the pull.. This decision must be made immediately at the end of the first pull.
8. The driver must start with a tight chain and only after flagman displays the green flag.
9. Speed must be controlled by a hand throttle only. Strings and wires are not allowed. Foot throttles allowed if original factory equipment.
10. Drivers must remain seated and be in full control of the tractor at all times.
11. Tractors losing weights or any other objects while hooked to the sled will be disqualified.
12. Tractors must stay within the pulling track boundaries during the pull.
13. If a tractor stops or stalls before the sled passes the 40 foot mark, the driver has the option of restarting the pull or dropping to the end of the class. Full pull line for the sled will be marked at the end of the track.
14. All tractors must stop pulling upon the RED flag signal from the Flagman.
15. In the event of cancellation, refunds for any incomplete pulls may be requested up to 30 minutes after cancellation. Otherwise all hook fees will be donated to the AG Museum.
16. All decisions of the pull committee are final. Any arguments will result in an automatic disqualification.

17. ALL PARTICIPANTS PULL AT THEIR OWN RISK! PLEASE KEEP SAFETY FIRST AND HAVE FUN!
